27th Course on Microsurgery of the Middle Ear

February 23rd–25th, 2015

Department of Otorhinolaryngology, Plastic, Aesthetic and Reconstructive Head and Neck Surgery
University of Würzburg

Head: Univ.-Prof. Dr. Dr. h.c. R. Hagen
Dear Colleagues!

Welcome to the 27th Course on Microsurgery of the Middle Ear in Würzburg!

Microsurgery of the middle ear is one important part of our speciality. Besides classical tympanoplasty procedures, indications and special interventions for surgical hearing restoration experienced an enormous progress by the rapid development of new prosthetic and technical devices up to cochlear implantation and implantable hearing aids.

The surgical courses by the University ENT Departments of Bochum and Würzburg, established since 1988, have become an essential part in the education of starting and advanced middle ear surgeons. Based on active research and broad clinical experience these courses represent the actual state of knowledge in the field of hearing restoration. The complete spectrum of ear surgery is presented via 3D transmitted live surgery from two surgical theatres, active training is offered by standardized temporal bone exercises. Basic knowledge as well as diagnostic and therapeutic details are presented by experts.

Certainly, Würzburg offers much more than a surgical course. Take the advantage to explore Würzburg’s historical sites by visiting ancient locations and enjoy the world-famous Franconian wine.

We are looking forward to welcoming you in Würzburg and experiencing a scientifically and personally enriching meeting.

Yours sincerely,

Prof. Dr. S. Dazert        Prof. Dr. Dr. h. c. R. Hagen
Monday, February 23rd, 2015

07.30  Registration

08.00  Welcome and introduction
R. Hagen, Würzburg, S. Dazert, Bochum

08.15 – 12.30  LIVE SURGERY
3D HDTV projection,
Stapes & Tympanoplasty
Moderation: A. Radeloff, Würzburg

10.00 – 10.30  Coffee break / visit of industrial exhibition

12.30 – 13.30  Lunch

13.30 – 15.45  INTRODUCING LECTURES
Moderation: R. Hagen, Würzburg

Surgical anatomy of the temporal bone
J. Pahnke, Küsnacht am Rigi

Audiological standards for ear surgery
W. Shehata-Dieler, Würzburg

Neuroradiology of the temporal bone
B. Alkonyi, Würzburg

14.30 – 15.00  Coffee break / visit of industrial exhibition

Training of middle ear surgery -
Würzburg school
R. Hagen, Würzburg

Dissection of the temporal bone
A. Radeloff, Würzburg

16.00 – 18.00  WORKSHOPS AND TUTORIALS
(PARALLEL SESSIONS)

Temporal bone exercises
(Temporal bone laboratory,
please register in advance)

Workshop audiology and
 electrophysiology
(Comprehensive Hearing Center,
on-site registration at the registration
desk)

19.00  Staatlicher Hofkeller,
Welcome Reception

Meeting Point: 7 p.m. at the
Franconian Fountain in front of the
Würzburg Residence
Tuesday, February 24th, 2015

07.45       Opening of registration desk

08.00–12.30  **LIVE SURGERY**
             3D HDTV projection,
             Cholesteatoma, Revisions
             Moderation: A. Radeloff, Würzburg

10.00 – 10.30  Coffee break / visit of industrial exhibition

12.30 – 13.30  Lunch

13.30 – 16.30  **GENERAL LECTURES**
               Moderation: S. Dazert, Bochum

                  **Tips and tricks in middle ear surgery**
                  J. Helms, Tübingen

                  **Concepts and treatment of cholesteatoma**
                  S. Plontke, Halle

                  **Reconstruction of ear drum and ossicular chain**
                  G. Geyer, Solingen

                  **Functional outcome in different membrane grafts**
                  F. Hoppe, Oldenburg

14.50 – 15.10  Coffee break / visit of industrial exhibition

16.30 – 18.30  **WORKSHOPS AND TUTORIALS**
               (PARALLEL SESSIONS)

                  ► **Temporal bone exercises**
                  (Temporal bone laboratory, please register in advance)

                  ► **Workshop audiology and electrophysiology**
                  (Comprehensive Hearing Center, on-site registration at the registration desk)
Wednesday, February 25th, 2015

07.45 Opening of registration desk

08.00–12.30 LIVE SURGERY
3D HDTV projection,
Neurinoma, CI, Soundbridge®
Moderation: A. Radeloff, Würzburg

10.00 – 10.30 Coffee break / visit of industrial exhibition

12.30 – 13.30 Lunch

13.30 – 16.00 SPECIAL LECTURES
Moderation: W. Shehata-Dieler, Würzburg

  Tumors of the temporal bone
  R. Hagen, Würzburg

  Diagnostics for cochlear implants
  W. Großmann, Würzburg

  Cochlear implant surgery step by step
  S. Schraven, Würzburg

  Reducing the risk of infection:
  What can we learn from research?
  T. Stark, München

14.50 – 15.20 Coffee break / visit of industrial exhibition

  Preoperative assessment for active
  middle ear implants
  S. Kaulitz, Würzburg

  Implantable hearing aids in
  middle ear disease
  R. Mlynski, Rostock

16.15 – 18.15 WORKSHOPS AND TUTORIALS
(PARALLEL SESSIONS)

  ▶ Temporal bone exercises
  (Temporal bone laboratory,
   please register in advance)

  ▶ Workshop audiology and
    electrophysiology
  (Comprehensive Hearing Center,
   on-site registration at the
   registration desk)

18.15 End of course
Social Programme

Monday, February 23rd, 2015

Welcome reception at the “Hofkellerei, Würzburg Residenz”
(supper and wine-tasting)

Special note
The temperature of the wine-cellar varies between 13 to 17 °C, warm clothing recommended.

Meeting point
7 p.m. at the Franconian Fountain in front of the Würzburg Residence.
Further Information

Arrival

Public transport stops of the WWV trams 1 and 5 to the Würzburg University Hospital. Official stops of the WWV buses 13 and 24.

Course Faculty

Dr. B. Alkonyi                      Würzburg / Germany
Prof. Dr. G. Baier                  Darmstadt / Germany
Prof. Dr. M. Cebulla                Würzburg / Germany
Prof. Dr. S. Dazert                 Bochum / Germany
Prof. Dr. J. Gavilán               Madrid / Spain
Prof. Dr. G. Geyer                  Solingen / Germany

**Carl Zeiss Meditec Vertriebsgesellschaft mbH**, Rudolf-Eber-Straße 11, D-73447 Oberkochen / Germany
Information for Participants

Course venue
Department of Otorhinolaryngology,
Plastic, Aesthetic and Reconstructive Head and Neck Surgery
Lecture Hall, 1st floor
University of Würzburg
Josef-Schneider-Str. 11
D-97080 Würzburg

Participation fee
- 300 € Course fee and additional 100 € per double hour for Temporal Bone Exercises for early registration until 31st December, 2014
- 350 € Course fee and additional 125 € per double hour for Temporal Bone Exercises for later registration from 1st January, 2015

Bank account
Recipient: University Clinics of Würzburg
IBAN: DE73 7905 00000044610582
BIC (Swift-Code): Byladem1SWU;
Banking Institution:
Sparkasse Mainfranken Würzburg
Reference on transfer:
“8601467 microsurgery”, and additional your subscriber number (as received with your registration confirmation)

Confirmation letter
A confirmation letter will be sent upon receipt of your registration form. Please inquire if confirmation does not reach you 2 weeks after your sending.

Chairmen
Univ. Prof. Dr. S. Dazert, Bochum
Univ. Prof. Dr. Dr. h.c. R. Hagen, Würzburg

Organisation
PD Dr. A. Radeloff, Würzburg

3D HDTV video technique
Dipl.-Ing. (FH) H. Korder, W. Wabbel

Course secretary
Mrs C. Binder, 1st floor, in front of the auditory.
Phone during the course: [+49] [0]931 / 201-21701 (8 a.m. to 4 p.m.)

Lunch
Exhibition area of the venue, next to the auditory

Parking
Limited facilities in front of the head clinic and at the parking area “ZOM”, Straubmühlweg (signposted at the “Josef-Schneider-Straße”)

Accommodation
Tourist Information
Palais at the Congress Centrum, 97070 Würzburg
Phone: [+49] [0]931 / 372371
